

Government of India
Ministry of Electronics and Information Technology
Controller of Certifying Authorities

Dated: 31st March 2023

NOTICE

CA should implement the issuance of DSC in the new series of tokens from 01.04.2023 onwards as per the Guidelines issued by the Office of CCA. Also taking into consideration of the issues faced by the Relying Parties, CAs and Subscribers, to facilitate a smooth transition, the competent authority has decided to grant three months for issuance of DSC in the existing series of empanelled tokens (by CAs) up to 30 June 2023.

In the meantime, all the stakeholders are required to address issues related to the existing series of empanelled tokens on or before 30 June 2023.
